**Item 3.01. Notice of Delisting or Failure to Satisfy a Continued Listing Rule or Standard; Transfer of Listing.**

On September 5, 2023, Nogin, Inc. (the “Company”) received a written notice (the “Notice”) from the Listing Qualifications Department of The Nasdaq Stock Market LLC (“Nasdaq”) notifying the Company that, based on the closing bid price of the Company’s common stock, par value \$0.0001 per share (the “Common Stock”), for the last 30 consecutive trading days, the Company no longer complies with the minimum bid price requirement for continued listing on The Nasdaq Global Market. Nasdaq Listing Rule 5450(a)(1) requires listed securities to maintain a minimum bid price of \$1.00 per share (the “Minimum Bid Price Requirement”), and Nasdaq Listing Rule 5810(c)(3)(A) provides that a failure to meet the Minimum Bid Price Requirement exists if the deficiency continues for a period of 30 consecutive trading days.

The Notice has no immediate effect on the listing of the Common Stock on The Nasdaq Global Market. Pursuant to the Nasdaq Listing Rules, the Company has been provided an initial compliance period of 180 calendar days to regain compliance with the Minimum Bid Price Requirement. To regain compliance, the closing bid price of the Common Stock must be at least \$1.00 per share for a minimum of 10 consecutive trading days prior to March 4, 2024, and the Company must otherwise satisfy The Nasdaq Global Market’s requirements for listing.

If the Company does not regain compliance by March 4, 2024, the Company may be eligible for an additional 180 calendar day compliance period if it elects (and meets the listing standards) to transfer to The Nasdaq Capital Market to take advantage of the additional compliance period offered on that market. To qualify, the Company would be required, among other things, to meet the continued listing requirement for market value of publicly held shares as well as all other standards for initial listing on The Nasdaq Capital Market, with the exception of the Minimum Bid Price Requirement, and would need to provide written notice of its intention to cure the bid price deficiency during the second compliance period. If the Company does not regain compliance within the compliance period(s), including any extensions that may be granted by Nasdaq, the Common Stock will be subject to delisting.

The Company intends to monitor the bid price of the Common Stock and consider available options to resolve the noncompliance with the Minimum Bid Price Requirement. There can be no assurance that the Company will be able to regain compliance with The Nasdaq Global Market’s continued listing requirements or that Nasdaq will grant the Company a further extension of time to regain compliance, if applicable.

The Notice is unrelated to the previously disclosed notice received by the Company from Nasdaq on July 10, 2023 regarding the Company’s noncompliance with the market value of publicly held shares requirement for continued listing on The Nasdaq Global Market under Nasdaq Listing Rule 5450(b)(2)(C).
